CHAIRMAN'S REPORT

It is with pleasure that I present the 2023/24 Yamba Surf Lifesaving Club annual report - a season where we can once again proudly say there were no lives lost whilst patrols were on duty.

The Club Board was unchanged at the AGM with the exception of James Kemp coming in as the new JAC Chair to replace James Forbes. We did see a change in our Clubhouse Director mid-season when Kim McFarlane stepped down due to work commitments. Fortunately, Mark Rice was willing and able to step into the role and has followed on from Kim's great work.

Our continued focus on youth and education has seen our membership numbers grow again, up to 580, bucking the trend seen more widely across surf clubs in NSW. This is a very pleasing outcome and clear recognition of the hard work of many people over many years. It is also testament to the fact that we have created a great environment that people want to be a part of and enjoy spending time around.

On the Lifesaving front our patrolling members have once again done an outstanding job. The demands on our volunteers is always a challenge but everyone went about their roles with a minimum of fuss. It is quite extraordinary to think that we performed over 6,000 hours of patrol and more than 600 preventative actions to go with 11 rescues. It highlights just how important and valuable our work is. It is hoped that the work of the Education Team over the last few seasons will start to see some easing in demands on our patrolling members as more members with more awards hit the beach. In addition to this, there is an increasing awareness at a State level, of the burden placed on volunteers. As we look to negotiate a new Lifesaving Agreement for the next 2 seasons, there is some hope that we might see some more flexibility and understanding, enabling the pressure to be eased a little further going forward. Reductions in membership fees, free breakfasts and lunches, and growing the number of nippers coming through onto patrols are just some of the ways we are trying to ease the pressure at a club level.

Whilst still on lifesaving, I would like to acknowledge the work of our Emergency Callout Team who endured some fairly challenging situations this season including a drowning at Pippi Beach. Thanks must go to Dave Rope from Far North Coast Branch, and the SLSNSW team, for their support of our members through this event.

Education has been a real highlight this year. The statistics will appear elsewhere in this Report but I do want to acknowledge every member who assisted in training and assessing throughout the season, led by Jill Ennever and Keiran Lynch. These outstanding efforts were recognised at the Far North Coast Awards of Excellence when Keiran took out the Trainer of the Year Award, and Yamba SLSC was awarded the Education Club of the Year. I look forward to seeing more new members and further upskilling of existing members in the coming season. The challenge now is to find more trainers and assessors to be able to share the workload.

Our Nippers group continues to grow. It is quite remarkable to see that our numbers have grown by 40% over the last 4 years. Well done to James Kemp who stepped into the role and continued the great work done by his predecessor James Forbes. To

grow the numbers takes a lot of hard work from the JAC committee, age managers, water safety and coaches. This hard work is resulting in some huge improvements in the water confidence and skills of our kids. This work is also evident in the club's strong showings at carnivals throughout the season.

On the competition front, the club hosted a Nippers Carnival in November, which was a success, although the wind and rain did see an early finish to proceedings. Our annual Yamba Ocean Swims saw some 400 swimmers participating early in the new year. This was, as always, a great community event and financial boost to the club. The club also hosted a successful Masters Carnival in February with good attendance from Queensland clubs and some entertaining surf for all the competitors.

Whilst our competitor numbers were reduced from recent seasons, our Country Titles team performed beyond expectations to finish 3rd in the pointscore. This was a great achievement by our Nippers and Masters competitors.

The State Titles at Queenscliff Beach in Sydney was also a highlight with the Age Championships seeing a swag of medals, including the club's first ever gold medal in surf teams for the U/10 boys - a huge effort to knock off the city clubs. Not to be outdone, our Masters also saw success with a substantial haul of medals won.

We had our biggest representation in many years at the Aussies on the Sunshine Coast with some fantastic results. Medals to Felix Forbes in the U/13 board, Jeunesse Meldrum in her Masters surf race and Pete Rheinberger and Kev Gillard in Masters boardriding were the standouts amongst some great team and individual performances.

On the social front, we have held several events throughout the year including a Trivia Night, Book Launch and Podcast chat. Revenue from our functions has increased significantly with Covid now in the rearview mirror. Friday night bar openings were once again a popular event well attended by members and visitors alike. Weddings and functions also provide a good source of income for the club. Thanks go to Event Coordinator Sally Gilbert for her efforts in these areas.

I'd also like to acknowledge the support of our Office Administrator, Sue-Ellen Hyne who makes life easier for all our Board members.

Congratulations to all the award winners from our Presentation Night, in particular, Club Person of the Year, Mark Rice, and Lifesavers of the Year, Mark & Celeste Neander - their commitment to the club has been outstanding.

By the time the new season starts we will have replaced the club deck as well as some roof repairs and other maintenance. Thanks to Chris Moran, Kim McFarlane and Mark Rice for their efforts in securing the grant from the NSW Government of \$125,000 for this work and coordinating the project itself.

The club wishes to acknowledge and thank all of our generous sponsors and supporters. Of particular significance was the Merchant Foundation, which has for many years supported the club anonymously. To SLSNSW, Clarence Valley Council, the NSW State Government and the Australian Government, we say thank you for

your continued support of Yamba Surf Club.

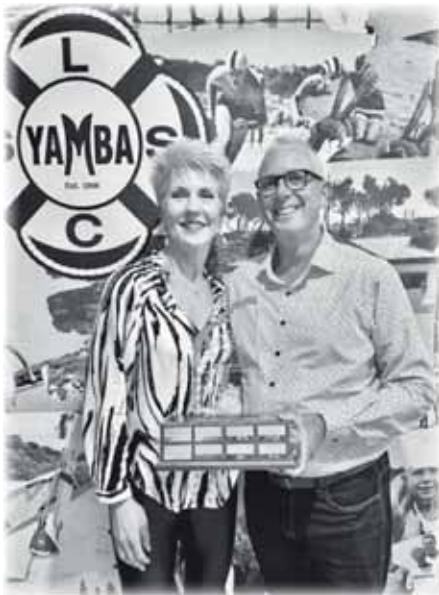

Thankyou to the Far North Coast Branch Executive for their assistance and support during the season.

Thankyou to my fellow Board Members for their hard work and dedication. I am very fortunate to have such a great group of people helping to guide the club forward.

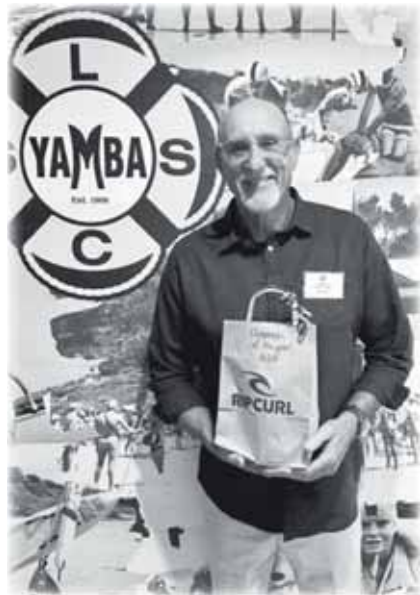

In closing, I once again say a massive thankyou to all the hardworking volunteers who make our club so great, and to my family for their support. It is very rewarding to see so many people want to step up and volunteer their time and expertise to ensure the club is successful and continues to grow. I look forward to another great season in 2024-25.

ADMINISTRATION REPORT

In my ninth year as Director of Administration I'd like to extend a heartfelt thanks to all the members of Yamba Surf Club, past and present, whose contributions enrich our organisation and elevate it to a respected position within our community - one that I have always been proud to be a part of since I was a little Yamba Nipper.

At Yamba SLSC, our culture is exemplary, reflected in our impressive member retention figures. This financial year, we proudly count 580 members, with 401 returning from the previous season. While we celebrate these achievements, we remain committed to continual improvement.

This year, our focus has been on ensuring a supportive and secure environment for all members. In alignment with this goal, SLSC has introduced two essential policies: the SLSC Member Protection Policy and Child Safe Policy, accessible on our website.

Our commitment to inclusivity was highlighted during our celebration of Rainbow Beaches, where we adorned the steps and proudly flew the flag to signify our dedication to embracing the LGBTQIA+ community.

Throughout the season, we've endeavoured to provide engaging activities and social events for our members. Events such as Rory Gibson's book launch and mental health discussions, along with regular bar openings hosted by Sally, were warmly supported. We also enjoyed a lively Trivia Night and our Annual Presentation Night. Looking ahead, we aspire to host even more events, inviting members to join our Social Committee and contribute their enthusiasm and ideas.

This year, we took our merchandise offerings online, aiming to reduce costs while expanding the range available to our members. This was a large undertaking by Helen Morris and has not gone unnoticed, thank you Helen.

A heartfelt thankyou goes out to our Board and all members. Special recognition goes to Sue-Ellen and Cathy in the office, Sally for her role with the bar and functions, and Helen for managing merchandise - these remarkable individuals have made my role easier, and it has been a joy working alongside them.

As I prepare to pass the torch, I am grateful for the unwavering support of our dedicated Board members, a passionate team of surf lifesavers who have been instrumental throughout my tenure.

Vale - Bruce Muggleton

In December, 2023 club members were saddened by the death of dedicated past Yamba SLSC Nippers President and administrator Bruce Muggleton, at the age of 81 years.

Bruce and his late wife Margaret formed a wonderful team working together for many years to steer the Yamba Nippers group after joining the Junior Surf Lifesaving movement at Yamba in 1972 when their children became involved. Bruce and Margaret worked tirelessly as local club organisers and as Branch officials as their four children Lyn, Michael (dec), John and Gabrielle progressed through the junior ranks with Yamba SLSC.

Bruce held several positions on the Yamba Nippers committee serving terms as President and Treasurer; for many years he drove the club bus to carnivals; he coached junior March Past and R & R teams, as well as beach competitors, including his son John who won several State and Australian junior beach and flags titles.

For 10 years Bruce was the Beach Referee at the NSW Junior Country Titles and for 7 years held this position at the NSW Junior State Titles. He also held the position of FNC Branch Junior Superintendent during that time.

Bruce was made a Life Member of Yamba Nippers in 1987 and a Life Member of Far North Coast Branch (Junior Activities group) in 1991. He served Yamba Nippers with distinction for many years and helped build a strong foundation for our youngest club members.

LIFE SAVING REPORT

It's been a huge season on the patrol front this year. Our patrolling members completed an extraordinary 6,402hrs on the beach, a significant increase from last season's 4,812hrs. Collectively, 611 preventative actions and 11 rescues were performed over the season, highlighting the important work our patrolling members do each and every patrol. This season we had 8 patrol teams rostered, down from our usual 9 which placed additional load on our patrolling members. This meant that during peak holiday periods, patrols were rolling around on a weekly basis. Despite this our patrolling members continued to find the time, energy and enthusiasm in their busy lives to keep our beautiful Main Beach safe. I cannot thank everyone enough who donated their time this season. We couldn't have done it without your support!

This season we had 43 'patrol award' recipients. These outstanding patrol members completed a minimum of 50 patrol hours and had less than one 'no-show' for the entire season. As a special thank you, each recipient received a limited edition Turkish towel embroidered with the club's logo at our Presentation Night. A highly sought after prize!

Once again, the Kiosk did an outstanding job treating our patrol members to a complimentary meal each patrol. The significant cost of these meals was graciously covered by the club and the amazing André Rizk. So please, don't forget to thank André next time you're down at Main Beach. I hope this gesture offered by the club shows just how much we appreciate our patrolling members each season.

On top of their patrol roster commitments, a number of our amazing members also volunteered their time to provide First Aid and Water Safety at additional events. These included the Yamba Nippers Surf Carnival, Yamba Triathlon, Yamba Ocean Swims and the Brunswick Master's Carnival at Yamba. A massive thank you to all who put up their hands to help. These events would not have been possible without your support.

Thank you to Jill Ennever and the Education Team for their hard work in running our Skills Maintenance days. A huge amount of work goes on behind the scenes to ensure these proficiency days run smoothly and that all patrol members regain their awards before the 31st of December each year. Thank you again to the amazing Jill for all her time, patience and diligence in organising these proficiencies.

For the first time since its inception, the 'Life Saver of the Year' mantle was jointly awarded this year to husband and wife team, Mark and Celeste Neander. Mark and Celeste have been an integral part of the Yamba UAV service for the past 5 years and have collectively accumulated 844 hours of flying. This season, despite being overseas until November 2023, Mark and Celeste spent 106.5 hrs and 106 hrs respectively on the beach. They generously volunteer across two patrol teams, significantly increasing UAV coverage for Yamba SLSC. In addition to their patrol hours, Mark and Celeste also work closely with our UAV captain Rob Becker, to ensure our pilots are up-skilled each season running training days for the UAV team. Thank you Mark and Celeste for your phenomenal contribution to the club over the past 5 years. We are delighted to recognise such pivotal club members with this award.

Trent Stainlay, our always enthusiastic IRB Captain, continued to go above and beyond in his role. This season Trent gained his IRB training qualification and successfully trained a number of new IRB crews and drivers. Thanks to Trent, our IRB fleet has not been in better condition for sometime. Taking time from his busy week, Trent always responded quickly, resolving any IRB issues that may have arisen over the weekend's patrols (and trust me, there were a lot). Thank you for your dedication, energy and willingness this season.

Currently, Club President Joe Dougherty, and myself are in the process of negotiating our Life Saving Agreement with SLSNSW which will determine our patrol rostering for the next 2 years. This will see a few changes to our current rostering which we believe will benefit our members and the community.

Thanks again to all our amazing patrolling members. I know I've said it before, but we honestly couldn't have done it without you all! Bring on season 2024/25!

EDUCATION REPORT

The past season has been another busy time for the club's Education training sector.

It has been good to welcome a number of new members who gained their Bronze Medallion award, and also junior club members moving up from the Nipper ranks who gained their Surf Rescue Certificate.

We appreciate the time and effort our Trainers and Assessors give to club education. This season Kieran Lynch has made a valuable contribution in using his digital skills to enhance training programs and visuals.

Two new trainers completed their probationary status this season to become qualified SLSA Trainers - James Forbes is now a Bronze Medallion Trainer, and Trent Stainlay adds IRB Trainer to his IRB Captain role. Both these members bring years of lifesaving experience to member training.

The season kicked off with our well-attended first annual Skills Maintenance session. This was organised again by Jim Dougherty in conjunction with our club's Endorsed Assessors.

Lifesaving education training started in August with a strong squad completing their Bronze Medallion. This group included those who then joined a patrol team, as well as Nipper parents who worked in Water Safety over the season.

In the Sept/Oct school holidays Kim Morgans trained a tight squad of SRC members and two mature members who all gained their Bronze Medallion.

During the second half of the season a small band of Bronze and SRC candidates trained together to achieve their respective awards. The SRC candidates' previous Nipper involvement gave them an edge with required surf skills.

Patrol member Sean Newton-Thompson stepped up to Patrol Captain status gaining his Silver Medallion Patrol Captain award in the new two day program.

Let's not forget the IRB team members, led by Trent Stainlay, who train consistently to enhance our IRB capabilities. During the season, 9 Crew and 5 Silver Medallion Driver awards were achieved. An impressive result.

The season ended on a high note with two Branch Awards being presented to Yamba SLSC at the Far North Coast Awards of Excellence held in Byron Bay. Kieran Lynch received the Branch 'Training Officer of the Year' Award. Well deserved. The club also gained the FNC Branch 'Education Club of the Year' Award.

Over the past season it has been a pleasure to see members extend themselves to acquire new skills and go on to make a contribution to club activities.

Jill Ennever

Education Director (Chief Training Officer)

SURF SPORTS REPORT

Yamba had one of its best seasons for many years in the Surf Sports arena highlighted by 3rd place in the pointscore at the NSW Country Titles and record medal hauls at both State and Australian Titles.

We had a busy season hosting events with a Branch Nippers Carnival in November, the annual Ocean Swim Day in early January and the Masters Surf Carnival in February. There was a big work force of club members to help with the running of these events and special thanks must go to our IRB crews led by Trent Stainlay who ensured the safety of all those who entered the water.

The Far North Coast Branch Titles were again held at Byron Bay over two days in December. We had good conditions on the first day for the Nippers events but the swell came up on Day 2 and when the weather deteriorated around 1pm the carnival had to be cut short. Yamba finished 3rd in both the Junior pointscore and the Seniors/Masters pointscore behind Cudgen and Byron Bay. The club won 20 events in the Juniors and 25 in the Seniors/Masters in a good warm up for the major carnivals later in the season.

The NSW Country Titles were held on the South Coast at Warilla Barrack Point just south of Wollongong on the last weekend in January. A team of 40 Yamba competitors made the long trek south and recorded some outstanding performances to finish in 3rd place in the pointscore with 24 gold medals, 23 silver and 13 bronze medals. Club president Joe Dougherty led the way with 6 gold medals in Masters events closely followed by Alan Dunne with 5 gold and Jeunesse Meldrum with 4 gold. In Nippers events Clarry Dougherty topped the gold medal count with 4, ahead of Leo Dean, Ziggy O'Brien, Felix Forbes, Mostyn Brown, Gracie McLennan, and Harlen Bews all with 2 gold medals. A big thank you again to our carnival officials, IRB crew and water safety personnel who made the long trip to Warilla to enable the club to partake in the competition.

The NSW State Titles were held in March at Queenscliff for the third consecutive year with challenging surf conditions for nippers, seniors and masters. Our nippers sent a team of 23 members to Sydney and there were some outstanding efforts with the team claiming 2 gold, 1 silver and 3 bronze medals plus two 4ths, one 5th and two 6ths and 22nd place in the pointscore from 80 competing clubs. Cody Kratzmann led all the way to win the Under 9 years male surf race and moved up an age group to help the Yamba team win the Under 10 years male surf teams – our first ever gold medal in a surf teams event at State nippers level. The other team members were Leo South, Floyd Doyle and Kenny O'Brien. Leo Dean finished strongly to claim the silver medal in the 11 years iron man, whilst bronze medals went to Clarry Dougherty in the 11 years board race, Henry Jenner in the 11 years 1km beach run, and the 11 years male surf team.

The NSW State Inclusive Championships were held in conjunction with the State Age Titles and Maverick McLennan dominated the Under 9 boys events with 4 gold medals and a silver medal.

Our veteran competitors also had great results at the State Masters Titles winning 1 gold, 5 silver and 4 bronze medals to outdo last year's record haul of 9 medals. Jeunesse Meldrum was again the star of the team winning the 45/49 years female rescue tube and finishing an unlucky second in the surf race. Other silver medal winners were Joe Fahey in the 50/54 years male surf ski, David O'Brien in the 55/59 years rescue tube,

and the Over 170 years taplin relay and ski relay teams. Bronze medals went to Michael Stubbs in both the 55/59 years surf race and rescue tube, Peter Rheinberger in 60/64 years rescue tube and Greg Goodwin and Ben Sullivan in the 55/59 years double ski race.

The Australian Titles were held at Maroochydore with the club sending one of our biggest teams ever resulting in a medal haul of 1 gold, 3 silver and 2 bronze medals. In the Youth Titles Felix Forbes put in an outstanding paddle to finish 3rd in a tight finish in the Under 13 board race final. Willow Rowney was a finalist in the Under 13 female board race and finished in 7th place with Zahli Plunkett in the Under 14 board rescue final. The two girls also combined with Kayla Hancock to reach the semi-final of the Under 14 board relay.

In the Masters Titles our 'older' board riders had some great results with Kevin Gillard winning gold in the Over 70 years long board riding event and silver in the short board event. Peter Rheinberger won silver in the 60/69 years long board riding event and bronze in the short board event. He also finished 4th in the 60/64 years board race. Jeunesse Meldrum was the other club medallist with a silver in the 45/49 years female surf race, to complete a trio of silver medals at Country, State and Australian Titles in the surf race.

The Over 180 years female boat crew, The Boilers, went to Maroochydore searching for the elusive gold medal after winning silver at the two previous Aussie Titles. However, luck deserted them in the final in the very testing surf conditions and with a boat full of water they rowed into 5th place. During the season the crew won every round of the North Coast Boat Series in which they competed. It was pleasing to see sweep Ray Wiblen get an Under 19 male boat crew together this season and they competed well at the North Coast Boat Series. Hopefully the boys stick together and line up again next season in the same age group.

The club again hosted the "Brunswick Masters Carnival" in February in very testing surf conditions with 16 clubs from Mooloolaba in the north to Port Macquarie in the south taking part. With a big team of 27 Yamba Masters competitors lining up we were able to once again win the Brunswick Hotel pointscore trophy with 203 points from Mermaid Beach on 162 and Mooloolaba on 80 points. In her first year in Masters competition, club captain Frankie Aird won the Con Asmussen trophy for the outstanding performance of the day in riding a big, dumping wave all the way to the beach to lead the field home in the female surf teams event. A big thanks to the visiting officials who helped run the event and also to our water safety personnel.

The weekly Sunday morning handicap surf race was again well supported by members throughout the season, with our older nippers very prominent in the final pointscore. Felix Forbes won the overall season pointscore for the Carl Schaeffer Award with 93 points, narrowly ahead of Willow Rowney on 91 and Dayla Chapman on 84. The monthly pointscore winners were Jude Kemp (Oct), Leo South (Nov), Abe Patricks (Dec), Nicola Gorman (Jan), Zahli Plunkett (Feb & April) and Felix Forbes (March). Thanks to Joe Dougherty and Belinda Sanders for facilitating this weekly Sunday morning surf race throughout the season.

With the competition momentum steadily building within the club again, I look forward to seeing the solid training efforts put in by many members in the off season, coming to fruition at the 'pointy end' of the new season.

OCEAN SWIMS DAY

Our Ocean Swims Day was held on Sunday 7th January and fortunately favourable weather and surf conditions enabled us to start events from Convent Beach and Main Beach rather than Whiting Beach as in the previous two years. A good field of 265 entrants lined up for the 700m swim with 186 participating in the 2km swim.

Last year's winner Bailey Armstrong from the Sunshine Coast again won both the 700m and 2km races from former winner, Lachlan Walker who was runner up in both swims. The women's 2km race was won by 17yr old Lilly Geddes from Upper Orara whilst 16yr old Tayla O'Shanesy from the Sunshine Coast won the 700m swim.

Yamba club members who had a win in their age group divisions included Jeunesse Meldrum, Peter Rheinberger and Hugh Dougherty in the 700m race, with Alan Dunne, Joe Fahey, Peter Rheinberger, Jim Schafer, Matilda McMahon-Willott, Frankie Aird, Jeunesse Meldrum and Bobbie Winger finishing as winners in the 2km event divisions. The male Dash for Cash was again won by club member Alan Dunne with Abbie Yourell from Evans Head taking the money in the female division.

A big thanks is due to the large club work force involved on the day and in the lead up. Thanks to club Secretary Leah Essex for addressing much of the paperwork needed for approvals, as well as again assisting with the tedious work in processing entries and results. Trent Stainlay and his IRB crews did a great job setting courses and controlling the swim area along with our patrol members. The various workforces on the beach, in the water and taking entries, and all those assisting in catering and other roles during and after the event all made the day both possible and successful - thankyou! Special thanks also to my wife Cathy whose invaluable work behind the scenes for many years has enabled the wheels of this event to keep turning smoothly.

Ocean Swim Day once again achieved its goal of being a major fundraiser for the club with more than \$10,000 being added to club funds. Our valued sponsors help us achieve this - Clarence Valley Council, Pacific Hotel, Westlawn Finance & Insurance, Ray White Yamba, Belinda's Store, The Stella, The Surf, Yamba Community Pool and Coopers Brewery. This ongoing support enables us to cover the costs of running the event as well as providing prizes to the overall placegetters and winners across all the age groups. Thanks also to our club members for the work they do in seeking this sponsorship from within the community.

JUNIOR ACTIVITIES (NIPPERS') REPORT

After several strong seasons, our reputation as a good value and well run sporting activity for families of Yamba and the Clarence Valley, saw near record numbers of Nippers with just under 180 registrations. The increase in numbers was a challenge accepted by our incredible volunteers who support the Nipper program as coaches, age managers, officials and helpers, with everyone leaning in to provide education and development opportunities for all skill levels.

To help manage the influx of Nippers we made a few small changes to the way in which we ran the season.

1. Tailored training sessions. We have had a really strong training program for many years with a dedicated coaching team of Melinda Brown, Jim & Joe Dougherty and Deacon Spicer helping our Nippers in the water. Lindsay McLennan and Helen Morris supported our beachies once again. I don't know where they get their enthusiasm. The regular training sessions cater to Nippers looking to learn, Nippers looking to improve and Nippers looking to compete. Matching our coaches to skill level has seen greater improvement across the program as a whole and has meant all our Nippers, new and old, feel accommodated and cared for.
2. Season of two halves. Leading up to Christmas we ran our Nipper program as usual with age groups and dedicated age managers as we focussed on the educational element of the Nipper season. Post Christmas though our Sunday Nipper sessions were more aligned to competency and skill level. This allowed us to move Nippers and age managers around based on their competency and skill levels, providing more tailored support again.
3. What else? For a few seasons now we have encouraged our Nippers to participate in other surf club activities. Initially this was mostly our Sunday handicap ocean swim. This has extended to Nippers competing in the annual Yamba Ocean swim. We have also asked our older SRC Nippers to support the Nipper program as water safety and Age Manager assistants. All these activities have provided opportunity for the Nippers to see that there is a lot more going on in the club than just Sunday Nippers. It has also introduced our Nippers to older members of the club and helped to develop better relationships across the club as a whole.

As always, we have had excellent support from the Training Officers within the surf club. This season we had two groups of Nippers complete their Surf Rescue Certificate (SRC). We also had a large number of Nippers complete their Resuscitation Certificates. All in all I feel our Nipper program is doing well in preparing our Nippers to be the life savers of the future.

The other area where we have excelled this season has been in the competition arena. We started strongly with our home carnival. This was a great day which initially allowed for all competitors to get in the water and test their skills. Unfortunately, the day was cut short when some fairly ordinary weather blew in.

The Branch carnival was another successful outing for Yamba Nippers in all the events that were completed. 62 Nippers in total competed over the weekend, which was an excellent turn out. Our results were not limited to the water either, with both the 1k and 2k runs bringing home medals across several age groups.

The NSW Country Titles though was where it all came together. Despite a smaller than usual turn out it was an excellent carnival and a great way to bring the club together. A crew of us stayed at the Kiama Scout Hall for the carnival, and I don't know if it was the opportunity

to bond or what, but I really felt we came together as a team over the weekend. This was definitely seen in the results with all age groups bringing home medals and top 6 finishes, plus another 2nd place in the All Age Board Relay (we will beat Cudgen eventually). I could not have been prouder of the Nippers. I also am extremely grateful to the parents who made the journey. It is a significant commitment. Thank you.

NSW State Titles - we were well represented again and produced excellent results across the carnival, two I'd like to make note of:

- U10 Male Surf Race GOLD- Floyd Doyle, Leo South, Kenny O'Brien and Cody Kratzman (U9). This was a first for Yamba Nippers in this event at State level. What a result.
- U11 Ironman SILVER- Leo Dean. To say Leo just never stops trying is an understatement and this was well deserved after a long season.
- Special mention too to Willow Rowney in the U13 Girls Board final. The "closest finish we have ever seen" according to the commentator. Honestly, I still think they are trying to figure out who won!

None of this happens by accident. The JAC are supported wonderfully by a committed group of Age Managers, Officials and helpers every season. Your efforts do not go unnoticed and I thank you all for your hard work and dedication.

We are also supported by a fantastic group of sponsors, helping to provide all the necessary equipment needed for a successful Nipper program. Thank you all.

Finally, I would like to express my gratitude to the JAC Executive this season, Mel Brown, Tash Hancock and Rebecca St John. Without your support we would not have had as successful a program. Thank you.

We look forward to Season 24/25 where we hope to improve again in producing life savers of the future and excellent results at carnivals.

CLUBHOUSE REPORT

Firstly, I would like to thank the efforts of our Clubhouse Committee – Kim McFarlane, Brian Badgery, Mick Moule, Bill Grainger, and James Forbes. The clubhouse is old and positioned in a harsh environment, it requires a huge effort from our team to keep it looking at its best. The team is highly committed and motivated and no job is off limits. A special note of thanks to Michael Moule for researching and installing the bike rack located at the northern end of the clubhouse.

Unfortunately, in January of this year Kim McFarlane resigned as Clubhouse Chair. Kim had taken on additional duties at her paid job and found it hard to meet the commitments of the Clubhouse Chair. I was happy to replace Kim through to the end of this season.

I would like to thank Kim for the work she has done for the club, noting Kim was the driving force in the success of our applications for the Sports Facility Grant and Community Building Partnership Program.

The Surf Club Facility Grant will be used to replace 9 damaged roof sheets and upgrade the club's 3 decks. At the time of writing, we were reviewing a synthetic deck flooring called NexGEN, with work commencing shortly.

Work on the ocean deck is scheduled to start in July and be completed by the end of August, weather permitting.

The Community Building Partnership Grant will be used to help fund the replacement of all windows located at the northern end of the club house (18 windows). The patrol room will be prioritised first and scheduled to be completed before the start of the 24/25 patrol season.

There is a lot of work that goes into submitting these Grants and I would like to thank Vice-President, Chris Moran, for his patience and attention to detail in this regard.

Another major work scheduled in the next financial year is the installation of a grease trap. The grease trap will attach to both our club house commercial kitchen and the Kiosk. This is a requirement from Clarence Valley Council.

Ben Plunkett has resigned as Caretaker of our surf club and moved to larger lodgings. Ben has done a great job over the last 18 months and will be sorely missed. Jesse and Emily Richards moved in on 24th May to take up the Caretaker's position and carry on Ben's legacy.

And lastly, a big thank you to all those who have helped in supporting our club over the last 12 months.

Mark Rice
Clubhouse Director.

OUR PARTNERS

Yamba SLSC has again received generous assistance from various Government and other agencies, throughout the 2023-24 season. This financial assistance enables the club to purchase important Lifesaving and First Aid equipment as well as to carry out Education and Training Programs for our lifesavers, new and old.

The cost of ongoing maintenance on our 90 year old building is also significant and we are constantly looking at ways to fund this essential work.

Grants and donations, received from various sources, as well as the valuable support from our ongoing sponsors at Platinum, Gold, Silver and Bronze levels (listed on our back cover), all help to keep the club moving forward. Thanks to all supporters.

FINANCE REPORT

I am pleased to report that the 2024 season and financial year has delivered another financially stable result. I present the Financial Statements for year ended 30 April 2024 with the following commentary.

The Profit and Loss statement shows a profit of approximately \$34,421, a pleasing turnaround compared with a loss of \$9,767 for 2023 financial year. I note the profit includes a depreciation provision of \$39,746. With the addback of non-cash expenses, the operating profit was \$74,167.

The following club Balance Sheet reflects a robust net asset position of approximately \$848,403 of which approximately \$333,554 is held in current assets.

Continued efforts by committees and members of the club led to a particularly successful year, marked by notable achievements from good fundraising events and sponsorship outcomes, this improvement is largely attributed to an increase in function activity and bar sales. Club merchandise sales have seen a slight increase this year too all contributing positively to our financial performance.

We have made substantial investments in the renovation, repairs, and maintenance of our clubhouse, including the renovation of the foyer, deck repairs, and interior and exterior painting which was positively supported by grants. As always, great appreciation is shown to the sponsorship committee and members who donate their time towards fundraising, grant applications and the ongoing maintenance of corporate sponsorships and donations.

We extend our heartfelt appreciation to corporate sponsors, benefactors and organisations that support the financial viability of the club. Without this ongoing support the clubs financial position and contribution to the community would be compromised.

In conclusion, it is great to see our efforts and commitment to enhancing our facilities for the benefit of our members and community fulfilled. The club continues to be in a solid financial position that is fit for the future and well positioned to serve its membership base and community goals. The efforts of the Board and their commitment to financial viability and governance along with a supportive membership base will lead to achieving even greater successes in the years to come.
