

# Yamba Surf Life Saving Club

May 2016

*"Vigilance and Service"*

## *...from the CHAIRMAN*

As we enter the Winter break I would like to thank everyone for their efforts throughout the season.

It has been another successful year for the Club due to the efforts of all our volunteers both on patrol and in other areas. For those patrolling members, I hope to see you all back again come September ready for another season. I'd also encourage you to talk to friends and family about getting involved in the club either by doing their Bronze or in some other capacity.

The End of Season Presentation is being held on Saturday 4th June starting at 6:30pm at the club. If you obtained an award during the season it will be presented on the night and I would encourage all members to come along and celebrate the season. This is a catered event so if you could please RSVP it would be greatly appreciated (see details elsewhere). The bar will also be open for those wishing to enjoy a drink.

The Annual General Meeting will be held at the club on Sunday July 31st at 2pm. Anyone interested in becoming more involved in the club next season please let me or any of the board members know as we could certainly use more help.

Enjoy the offseason; hopefully we will see many of you at some of the events being held through winter.

Joe Dougherty.
